**Subject:** NM MS4s under 2008 expired permit NMR040000

Records from permittees under the expired permit ( **NMR040000** ) are more than 10 years old. We may have hard copy of their NOI and SWMPs, but it will require more time to search. Please let me know if you need those records.

Information about those programs (approved under the expired permit NMR040000) may be found at:
